Cherry Tree Primary School

Sports Premium 2016-2017

As you may be aware, the Government provided additional funding for each academic year since 2013 and this has continued to improve provision of Physical Education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport. For the Academic Year 2016-2017 we will receive £9795.

We intend to use the allocated money to enhance sporting activities for our children for the current year.

2016-2017 – Current Year

£3500 approx –Continuing Professional Development (CPD) Training for all teachers delivering high quality gymnastics lessons.
£2356 approx – Continuing Professional Development (CPD) Training for all teachers delivering high quality dance lessons.
£2100 – Sports Partnership – Organises inter school competitions, provides CPD training for staff, develops play leaders in Year 6.
£200 – Youth Sports Partnership. We have signed up to be part of the Youth Sports Trust Membership which will help us gain access to CPD training, resources and support from outside agencies, and will support us when reviewing P.E. across the school (received silver award).
£124 - Gazebo for children to sit in the shade when outside for Sports Week
£300 – We now have two football teams. We purchased new football shirts.
£90 for coach to Francis Combe for indoor Athletics (Sports Partnership)
£144 Five A Day EYFS and KS1 for smartboards – Keep fit dance routines for children to take part in every morning
£1120 Orienteering – school has been mapped out, plaques placed around the school and training for all staff

2015-2016 – Previous Year

£3496 – Further Continuing Professional Development (CPD) Training for all teachers delivering high quality gymnastics lessons.
£2160 – Sports Partnership – Organises inter school competitions, provides CPD training for staff, develops play leaders in Year 6.
£300 – Youth Sports Partnership. We have signed up to be part of the Youth Sports Trust Membership which will help us gain access to CPD training, resources and support from outside agencies, and will support us when reviewing P.E. across the school.
£100 – PE Budget for new equipment to enhance their learning.
£1000 – National Sports Week activities.
£700 – physical development equipment - EYFS.
£500 – Subsidising Sports Clubs.

How the funding has impacted positively on the Teaching and Learning of PE
Our physical education culture promotes pupils to adopt a long term, healthy lifestyle that is enjoyable and fulfilling. Our children are inspired to engage in physical activity which raises their attainment, extends their potential and develop a lifelong, active lifestyle.

In July 2016 data analysis showed that on average over 80% of pupils are working the expected level for their age in PE compared to 60% in 2014. This shows the impact of Sports Premium funding.

During this academic year 2016-2017 teachers are continuing to receive gymnastics training as part of their CPD. The gymnastics teacher works with the teachers during their PE lessons to develop their confidence and understanding of how to teach gymnastics and how to differentiate their activities. In addition this year we will also be receiving Dance CPD to develop teacher's knowledge and skills.

We have also recently had our school mapped out for orienteering courses with plaques going up around the school grounds. Teachers will receive training on how to implement this into their PE lessons.

Enrichment - Creating rich, varied and inclusive school sports opportunities as an extension to the curriculum
Most of our pupils have had the opportunity to take part in school sports clubs and theme days. This will continue during 2016-2017.

Sports Clubs:
Autumn term 2016: Dance, Cheerleading, Football, Football Team Y5-6, Gymnastics breakfast and after school club and Multi Skills.
Spring Term 2017: Dance, Football, Football Team Y5-6, Gymnastics breakfast and after school club and Multi Skills

	Attendees	Pupil Premium	White British	Boys	Girls
Autumn 2012	52 children attended sports club	1	11	33	19
Autumn 2013	99 children attended sports clubs	8	34	45	44
Autumn 2014	93 children attended sports clubs 13 children attended two clubs per week	17 - double from last year this shows that parents are aware of subsidised funding for PP	32	50	43
Autumn 2015	74 children attended 1 club 17 attended 2 clubs	7 - (we need to make sure new parents are aware of PP funding)	22	38	36
Autumn 2016	113 children	6 (school pays ½ price for these children)	34	83	30

	Attendees	Pupil Premium	White British	Boys	Girls
Spring 2013	49	1	18	25	24
Spring 2014	89 children attended sports clubs	10	30	46	43
Spring 2015	102 (with 22 children attending at least two PE clubs)	14	32	51	51
Spring 2016	100	11	27	59	41
Spring 2017	112 children	11	30	70	42
	Attendees	**Pupil Premium**	**White British**	**Boys**	**Girls**
Summer 2013	59 children	5	6	23	36
Summer 2014	73 - 10 children attending more than one club	9	22	30	43
Summer 2015	101 children attended clubs + 21 children attending 2 or more clubs	18	27	38	63
Summer 2016	115 children attended clubs with 12 children attended more than 1 club.	12	32	46	49

Impact of sports premium on children attending clubs:
Offering more sports clubs has resulted in a consistent number of pupils taking part. The number of children attending the clubs since Autumn 2012 has increased from 50 to up to 112 children. Some children are participating in more than one club across the school week. We offer a half price discount on sports club for pupil premium pupils and from the table above you can see that we have had up to 11 pupil premium taking part compared to 1 in 2012-2013; this has encouraged more participation.

School Sports Partnership
During the Autumn Term Year 4 took part in a Tri-Golf Competition. Year 5 have taken part Fun Run competing against other local schools and some children have been requested to run in the county races. Year 6 have taken part in Play leader training and are able to support classes where needed.
In Spring term Year 4 have taken part in the indoor athletics competition at Francis Combe.

Awards
We are members of the Youth Sports Trust which gives us access to staff CPD, resources and support from outside agencies. The Trust also supports us with reviewing our P.E. provision and this informs our action plan. We have been awarded the Silver Award for the Youth Sports Quality Mark for another year running.

Plans for the rest of the year:
- Intra Sport – Year 3-5
- National Sports Week and Sports Day.
- Class Teacher CPD training in gymnastics and Dance.
- After schools clubs to continue throughout the year.
- Take part in Sports Partnership activities.

Sustainability

Through CPD our staff have enhanced their knowledge which they will continue to use when teaching gym and dance. We have purchased gymnastic equipment which the children will be able to use for years to come. Through the Sports Partnership we now have established links with other school which we will continue to nurture, allowing friendly competition for our children.
