

Sports Premium 2016-2017

As you may be aware, the Government has provided, since 2013, additional funding each academic year to improve the provision of Physical Education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport. For the Academic Year 2016-2017 have received £9795.

We use the allocated money to enhance sporting activities and provision for our children.

2016-2017 - Current Year

£3500 approx - Continuing Professional Development (CPD) Training for all teachers so that they are delivering high quality gymnastics lessons.

£2356 approx - Continuing Professional Development (CPD) Training for all teachers so that they are delivering high quality dance lessons.

£2100 - Sports Partnership - They organise inter-school competitions, provide CPD training for staff and develop play leaders in Year 6.

£200 - Youth Sports Partnership. We have signed up with the Youth Sports Trust Membership. This enables us to gain access to: CPD training, resources and support from outside agencies and support with reviewing P.E. across the school. We have received a Silver Award from them.

£124 - A Gazebo was purchased for the children so they can sit in the shade when they are outside for Sports Week

£300 - We now have two school football teams. We have purchased new football shirts.

£90 for coach to Francis Combe for indoor Athletics organised by the Sports Partnership.

£144 Five-A-Day smart-boards for EYFS and KS1. These are keep-fit dance routines that children take part in every morning.

£1120 Orienteering - The school has been mapped out, plaques placed around the school and training has been provided for all teaching staff.

2015-2016 - Previous Year

£3496 - Further Continuing Professional Development (CPD) Training for all teachers so that they are delivering high quality gymnastics lessons.

£2160 - Sports Partnership - Organises inter school competitions, provides CPD training for staff and develops play leaders in Year 6.

£300 - Youth Sports Partnership. We signed up to be part of the Youth Sports Trust Membership which enable us access to CPD training, resources and support from outside agencies, and support with reviewing P.E. across the school.

£100 - PE Budget for new equipment to enhance pupil learning.

£1000 - National Sports Week activities.

£700 - physical development equipment - EYFS.

£500 - Subsidising sports clubs.

How the funding has impacted positively on the Teaching and Learning of PE

The emphasis on Physical Education at Cherry Tree encourages pupils to adopt a long term, healthy lifestyle that is enjoyable and fulfilling. This culture inspires our children to engage in physical activity which raises their attainment, extends their potential and develops a lifelong, active lifestyle.

Sports Premium funding is having an impact on the physical development of our pupils. In July 2016 data analysis showed that, on average, over 80% of pupils are working at the expected level for their age in PE compared to 60% in 2014.

During this academic year (2016-2017) teachers are continuing to receive gymnastics training as part of their CPD. A gymnastics teacher works with the teachers during PE lessons to develop staff confidence and understanding of how to teach gymnastics and how to differentiate activities. In addition to this, staff have also received Dance CPD. This has had good impact as the teachers have reported that they are more confident when teaching these areas and that feel that they have acquired knowledge and skills which allow them to deliver high quality lessons.

We have also had our school mapped out for orienteering courses with plaques going up around the school grounds. All Teachers have been trained on orienteering skills and how to teach this during their PE lessons.

Enrichment - Creating rich, varied and inclusive school sports opportunities as an extension to the curriculum

During 2016-17 all of our pupils have had the opportunity to take part in school sports clubs, National School Sports Week and theme days.

Impact of sports premium on children attending clubs:

- Offering more sports clubs has resulted in a greater number of pupils taking part.
- The number of children attending the clubs since Autumn 2012 has increased from 50 to 140 children.
- Some children are participating in more than one club during the school week.
- We offer a half price discount for sports clubs for Pupil Premium (PPG) pupils. From the table above you can see this has encouraged greater participation of PPG pupils. We have had up to 11 pupil premium pupils taking part in clubs compared to 1 in 2012-2013.
- We now have a football team and are in a league where we play against other local schools.

School Sports Partnership

- During the Autumn Term 2016, Year 4 took part in a Tri-Golf Competition against local schools.
- Year 5 have participated in a Fun Run competing against other local schools. Following this some children have been requested to run in the county races.
- Year 6 have taken part in Play leader training and are able to support classes where needed.
- During the Spring Term, Year 4 have taken part in the indoor athletics competition at Francis Combe.
- During Summer term, Year 3, 4 and 5 have received PE lessons from the sports partnership in Multi skills and Athletics.

Awards

We are members of the Youth Sports Trust which gives us access to staff CPD, resources and support from outside agencies. The Trust also supports us with reviewing our P.E. provision and this informs our action plan. We have been awarded the Silver Award for the Youth Sports Quality Mark for another year running.

Plans for the rest of the year 2016-2017:

- National Sports Week and Sports Day.
- Class Teacher CPD training in Gymnastics and Dance.
- After schools clubs to continue throughout the year.
- Take part in Sports Partnership activities - Year 6 to attend a Kwik Cricket event.

Sustainability

Through CPD our staff have enhanced their knowledge which they will continue to use when teaching gym and dance. We have purchased gymnastics equipment which the children will be able to use for years to come. Through the Sports Partnership we now have established links with other school which we will continue to nurture, allowing friendly inter school competition for our children.
