

# Cherry Tree Primary School

## Sports Premium 2017-2018

As you may be aware, the Government has provided, since 2013, additional funding each academic year to improve the provision of Physical Education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport. For the Academic Year 2017-2018 have received £9795. We are waiting for the DfE to publish the school level breakdown of extra funding we are due to receive, for the academic year 2017 to 2018, including conditions of grant in October.

We use the allocated money to enhance sporting activities and provision for our children.

### 2017-2018 - Current Year

£1551 approx - to pay for football coach to coach the school football team and take them to matches

£4000 approx - Continuing Professional Development (CPD) Training for all teachers so that they are delivering high quality gymnastics lessons.

£2356 approx - Continuing Professional Development (CPD) Training for all teachers so that they are delivering high quality dance lessons.

£500 - Challenge Sport - Fitter Future programme. This is designed to increase fitness levels of children in our school and promote a healthy lifestyle. Children can also access this programme at home.

£500 - 2 days with Premier Sport completing fitness level tests to show where children are currently in their fitness and then revisited at the end of the year to show progress we have made as a school.

### 2016-2017 - Last Year

£3500 approx - Continuing Professional Development (CPD) Training for all teachers so that they are delivering high quality gymnastics lessons.

£2356 approx - Continuing Professional Development (CPD) Training for all teachers so that they are delivering high quality dance lessons.

£2100 - Sports Partnership - They organise inter-school competitions, provide CPD training for staff and develop play leaders in Year 6.

£200 - Youth Sports Partnership. We have signed up with the Youth Sports Trust Membership. This enables us to gain access to: CPD training, resources and support from outside agencies and support with reviewing P.E. across the school. We have received a Silver Award from them.

£124 - A Gazebo was purchased for the children so they can sit in the shade when they are outside for Sports Week

£300 - We now have two school football teams. We have purchased new football shirts.

£90 for coach to Francis Combe for indoor Athletics organised by the Sports Partnership.

£144 Five-A-Day smart-boards for EYFS and KS1. These are keep-fit dance routines that children take part in every morning.

£1120 Orienteering - The school has been mapped out, plaques placed around the school and training has been provided for all teaching staff.

### **How the funding has impacted positively on the Teaching and Learning of PE**

The emphasis on Physical Education at Cherry Tree encourages pupils to adopt a long term, healthy lifestyle that is enjoyable and fulfilling. This culture inspires our children to engage in physical activity which raises their attainment, extends their potential and develops a lifelong, active lifestyle.

Sports Premium funding is having an impact on the physical development of our pupils. In July 2017 data analysis showed that, on average, over 87% of pupils are working at the expected level and 16% are exceeding their expected level for their age in PE compared to 60% in 2014.

During this academic year (2017-2018) teachers are continuing to receive gymnastics training as part of their CPD. A gymnastics teacher works with the teachers during PE lessons to develop staff confidence and understanding of how to teach gymnastics and how to differentiate activities. In addition to this, staff are also receiving Dance CPD. This has had good impact as the teachers have reported that they are more confident when teaching these areas and that feel that they have acquired knowledge and skills which allow them to deliver high quality lessons.

We have also had our school mapped out for orienteering courses with plaques going up around the school grounds. All Teachers have been trained on orienteering skills and how to teach this during their PE lessons.

### **Enrichment - Creating rich, varied and inclusive school sports opportunities as an extension to the curriculum**

During 2016-17 all of our pupils have had the opportunity to take part in school sports clubs, National School Sports Week and theme days and this will continue this academic year (2017/2018).

#### **Sports Clubs:**

Autumn term 2017: Street Dance, Football, Football Team Y5-6, Gymnastics breakfast and after school club and Multi-Skills.

	<b>Attendees</b>	<b>Pupil Premium</b>	<b>White British</b>	<b>Boys</b>	<b>Girls</b>
<b>Autumn 2012</b>	52 children attended sports club	1	11	33	19
<b>Autumn 2013</b>	99 children attended sports clubs	8	34	45	44

<b>Autumn 2014</b>	93 children attended sports clubs 13 children attended two clubs per week	17 - double from last year this shows that parents are aware of subsidised funding for PP	32	50	43
<b>Autumn 2015</b>	74 children attended 1 club 17 attended 2 clubs	7 - (we need to make sure new parents are aware of PP funding)	22	38	36
<b>Autumn 2016</b>	113 children	6 (school pays $\frac{1}{2}$ price for these children)	34	83	30
<b>Autumn 2017</b>	116 children	9 (school pays $\frac{1}{2}$ price for these children)	30	69	47

	<b>Attendees</b>	<b>Pupil Premium</b>	<b>White British</b>	<b>Boys</b>	<b>Girls</b>
<b>Spring 2013</b>	49	1	18	25	24
<b>Spring 2014</b>	89 children attended sports clubs	10	30	46	43
<b>Spring 2015</b>	102 (with 22 children attending at least two PE clubs)	14	32	51	51
<b>Spring 2016</b>	100	11	27	59	41
<b>Spring 2017</b>	112 children	11	30	70	42

	<b>Attendees</b>	<b>Pupil Premium</b>	<b>White British</b>	<b>Boys</b>	<b>Girls</b>
<b>Summer 2013</b>	59 children	5	6	23	36
<b>Summer 2014</b>	73 - 10 children attending more than one club	9	22	30	43
<b>Summer 2015</b>	101 children attended clubs + 21 children attending 2 or more clubs	18	27	38	63
<b>Summer 2016</b>	115 children attended clubs with 12 children attended more than 1 club.	12	32	46	49
<b>Summer 2017</b>	140 children	11	33	108	32

### **Impact of sports premium on children attending clubs:**

- Offering more sports clubs has resulted in a greater number of pupils taking part.
- The number of children attending the clubs since Autumn 2012 has increased from 50 to 140 children.
- Some children are participating in more than one club during the school week.
- We offer a half price discount for sports clubs for Pupil Premium (PPG) pupils. From the table above you can see this has encouraged greater participation of PPG pupils. We have had up to 11 pupil premium pupils taking part in clubs compared to 1 in 2012-2013.

- We now have a football team and are in a league where we play against other local schools.

### **Awards**

We are members of the Youth Sports Trust which gives us access to staff CPD, resources and support from outside agencies. The Trust also supports us with reviewing our P.E. provision and this informs our action plan. We have been awarded the Silver Award for the Youth Sports Quality Mark for another year running.

### **Plans for the rest of the year 2017-2018:**

- National Sports Week and Sports Day.
- Class Teacher CPD training in Gymnastics and Dance.
- After schools clubs to continue throughout the year.
- Intra School competitions.

### **Sustainability**

Through CPD our staff have enhanced their knowledge which they will continue to use when teaching gym and dance. We have purchased gymnastics equipment which the children will be able to use for years to come.
